

DRAGONFLY CHAIR FRAMES

Dragonfly offers a wide range of Italian chair designs for use in residential, hospitality, and contract furniture industries. Our chairs are available as raw frames ready for custom finishing, or alternatively, as fully upholstered pieces of furniture ready for sale.

Combined with our large range of premium and contract upholstery material options, Dragonfly's customizable chairs may be the perfect solution to any manufacturing or retail requirements you may have. Contact us to discuss how Dragonfly can help your business today.

Please Note: There is usually no minimum order quantity for raw models. The price list will state if some models have a minimum quantity order.

For wooden products, a minimum order of 20 pieces is required for us to upholster in COM. Customer's own wood tints are accepted by prior arrangement.

Our models are normally upholstered plain back with antique gold studding where applicable. By prior request, we can upholster frames with button back, braid and piping. Please check with us for the extra cost and quantities required.

All orders must clearly state whether reinforcements are required. Reinforcement rails are necessary on frames destined for a contract environment. Please specify on all orders whether the frames are for domestic use. You may be required to complete a disclaimer form.

Please note:- Most of the Rustic models are available with a choice of alternative seating other than that shown, e.g. straw seat, solid wood seat or upholstered seat. Please contact us for more information.

For wooden products, a minimum order of 20 pieces is required if upholstery services are required. Custom wood tints can be arranged.

All fabric quantities are based on a plain or very small pattern repeat measuring 140cm wide in running metres. You must take into consideration any pattern repeats and ensure fabrics supplied meet the necessary requirements for the purpose they are intended for.
