Table tops are not included. For orders of 20+ pieces, Werzalit table tops can be offered. Please see the next two pages for more information on the available optional table tops. For more information, please contact us.

Werzalit is an excellent table top surface as it is very scratch and abrasion resistant - perfect for contract applications such as catering, hospitality, and even residential uses. Made of finely machined wood layers pressed with special duroplastic resins in a patented process, a solid single unit is created that will withstand most any abuse. Weatherproof and impervious to heat sources such as cigarette burns, these hygienic surfaces will serve your clients many years.
